Rental Terms and Conditions must be signed and dated by RENTER.

- 1. The RENTER shall keep and maintain the rented equipment during the terms of the rental at his/her own cost and expense. They shall keep the equipment in a good state of repair, normal wear and tear excepted.
- 2. The RENTER shall pay the OWNER full compensation for replacement of any equipment which is not returned because it is lost or stolen or any equipment which is damaged and in need of repair to put it into the same condition it was in at the time of rental, normal wear and tear excepted. The OWNER's invoice for replacement or repair is conclusive as to the amount RENTER shall pay under this paragraph for repair or replacement.
- 3. The equipment shall be delivered to RENTER and returned via the issued UPS shipping label. Returns made without the standard shipping label provided, cannot be guaranteed.
- 4. If a periodic rental rate is charged by OWNER, rental charges are billed to the RENTER for each period or portions of the period form the time the equipment is delivered to RENTER until its return. If a term rental rate is charged by OWNER, rental charges are billed to the RENTER for the full term even if the equipment is returned before the end of the term. If the equipment is not returned during or at the end of the term, then the rental charges shall continue on a full term basis for any additional term or portion thereof until the equipment is returned.
- 5. No allowance will be made for any rented equipment or portion thereof which is claimed not to have been used. Acceptance of returned equipment by OWNER does not constitute a waiver of any of the rights OWNER has under the rental agreement.
- 6. The RENTER shall allow OWNER to enter RENTER's premises where the rented equipment is stored or used at all reasonable times to locate and inspect the state and condition of the rented equipment. If the RENTER is in default of any of the terms and conditions of this agreement, the OWNER, and his agents, at the RENTER's risk, cost and expense may at any time enter the RENTER's premises where the rented equipment is stored or used at all time and recover the rented equipment.
- 7. The RENTER shall not pledge or encumber the rented equipment in any way. The OWNER may terminate this agreement immediately upon the failure of RENTER to make rental payments when due. A minimum of two month's deposit, per machine will be billed within one week of the rental order. The remaining rental charges will be billed monthly, after the first two month's charges have been allocated.
- 8. The OWNER makes no warranty of any kind regarding the rented equipment, except that OWNER shall replace the equipment with identical or similar equipment if the equipment fails to operate in accordance with the manufacturer's specifications and operation instructions. Such replacement shall be made as soon as practicable after RENTER returns the non-conforming equipment.
- 9. Rentals that are not returned after six months will not be refunded for the deposit and merchants will be billed for six months of rental fees (i.e. IWL250s would be billed \$250 deposit + \$210 rental fees). There are no exceptions.
- 10. Rental fees will be billed out of the deposit. Upon receipt of returned equipment, credit will be issued minus the appropriate fees.
- 11. Rentals are subject to availability, and are not guaranteed.

These terms are accepted by t	he RENTER upor	n delivery of the	terms to the RE	NTER or the a	gent or other
